KRFY - P.O. Box 2465, Sandpoint, Idaho 83864

MISSION STATEMENT

Panhandle Community Radio (PCR) is an independent, community-supported information resource for the north Idaho region. The station promotes community participation, collaboration, vitality, and sustainability by delivering alternative news, views, and educational programming to help cultivate an informed citizenry. PCR is committed to lowering barriers to public access of local airwaves.

ABOUT KRFY (see also www.krfy.org)

The station was founded in 2006 and is governed by a Board of Directors, who is responsible for operations, fundraising, staff, and volunteers. The Board is also responsible for conformance with federal and state regulations and fund-raising. Funds are used primarily for staffing, equipment, program fees, and transmission. The station is supported entirely by donations from local business and community members, which are tax deductible under 501(c)(3) provisions. Day to day operations are facilitated by the Station Manager.

The Program Committee reviews and approves all applications for programming.
